

COMPANY PROFILE

PT. LANGGENG BERSAUDARA

Engineering, Supply, Maintenance, Tank & Metering
Calibration Service Provider

COMPANY PROFILE

PT. LANGGENG BERSAUDARA

Engineering, Supply, Maintenance, Tank & Metering Calibration Service Provider

About Us

PT. Langgeng Bersaudara, we are committed to providing high-quality Engineering, Supply, Maintenance, Tank & Metering Calibration Service Provider. With extensive experience in the industry, we deliver precise, efficient, and reliable solutions to optimize industrial operations.

Our team of skilled professionals ensures that every service meets the highest industry standards, using advanced technology and best practices. We prioritize customer satisfaction, offering customized solutions that enhance accuracy, efficiency, and long-term performance.

By choosing PT. Langgeng Bersaudara, you gain a trusted partner dedicated to excellence, precision, and innovation in every project.

VISION & MISSION

Vission

To become a company that is committed to customer satisfaction and plays an active role in planning and development in various industrial fields, such as Oil and Gas, Petrochemical, Power Generation, Petrochemical, Oleochemical, Fertilizer, Pulp & Paper, Food and Beverage companies

Mission

- To provide the best service for customers according to the field of expertise required
- To Improve the competence of each employee and mastered skills
- Establish synergies by sharing knowledge and experiences in order to grow and develop together

OUR SERVICES

01 Calibration and Validation of Instrument & Metering Systems

We provide precise calibration and validation services to ensure the accuracy and reliability of your instrument and metering systems, meeting industry standards.

02 Instrument & Metering Maintenance Services

Regular maintenance to keep your instruments and metering systems functioning optimally, reducing downtime and improving operational efficiency.

03 Custody Transfer Measurement System Verification Services

We ensure the accuracy and compliance of custody transfer measurement systems, providing reliable verification for fair and transparent transactions.

04 Engineering Manpower Supply

Skilled and experienced engineering professionals to support your projects, ensuring efficiency and technical excellence.

05 Engineering Consultant

Expert consulting services tailored to your business needs, providing innovative engineering solutions for improved performance and productivity.

06 Supply Control and Instrument Products

High-quality control systems and instrumentation products to enhance process accuracy, reliability, and safety.

07 Commissioning and Training

Comprehensive commissioning services along with expert training programs to ensure smooth implementation and skilled personnel operation.

08 The Internet of Things (IoT)

Smart IoT solutions to enhance system connectivity, data monitoring, and automation, driving efficiency in industrial operations.

✦✦ Why Choose Us?

- ✓ **Experienced & Professional**
Backed by a team of highly skilled experts.
- ✓ **Advanced Technology & Standards**
Utilizing modern equipment and adhering to industry standards.
- ✓ **Fast & Responsive Service**
Ready to assist with optimal solutions for your needs.
- ✓ **Commitment to Customer Satisfaction**
Delivering the best solutions tailored to your industry requirements.

OUR CUSTOMERS

Our potential customers are come from several different industries, such as Oil and Gas Upstream, Oil and Gas Downstream, and Power Generation, Chemical companies, Petrochemical companies, Oleochemical companies, Fertilizer companies, Pulp and Paper companies, Food and Beverage companies, Metal and Mining companies, Transportation System companies, Engineering, Consultant & Construction companies.

EXPERIENCE LIST

ITEM	DESCRIPTION	YEAR	END-USER
1	Recalibration Orifice Plate of Orifice Gas Meter Systems at Directorate of Metrology – West Java, Bandung	2016	PT. ENVIROMATE TECHNOLOGY INTERNATIONAL
2	Recertification and Recalibration Gas Meter Orifice Systems and Ultrasonic Meter at CNG Plant Grati – East Java	2015, 2016 dan 2017	PT. ENVIROMATE TECHNOLOGY INTERNATIONAL
3	Recertification and Recalibration Gas Meter Orifice Systems for PT. ECO and PT. PLN at Panaran, Batam	2015, 2016 dan 2017	PT. INTI DAYA LATU PRIMA
4	Recalibration Orifice Plate of Orifice Gas Meter Systems at PT. PLN Batam	2016	PT. PLN BATAM
5	Recalibration Turbine Meter and EVC at Directorate of Metrology –Bandung	2017	PT. MITRA ENERGI BUANA
6	Recertification and Recalibration of Turbine Gas Meter Systems in Palembang	2017	PT. MITRA ENERGI BUANA
7	Recertification and Recalibration Gas Meter Orifice Systems and Ultrasonic Meter at CNG Plant Tambak Lorok in Semarang	2017	PT. PERTA DAYA GAS
8	Recalibration Gas Meter Orifice Systems at Tanjung Uncang, Batam, Kepulauan Riau	2018	PT. BATAM TRANSGASINDO
9	Recertification and Recalibration Gas Meter Orifice Systems at PLN dan PGN Batam – Kepulauan Riau	2018	PT. INTI DAYA LATU PRIMA
10	Recalibration Turbine Meter and EVC at Directorate of Metrology – Bandung	2018	PT. MAXPOWER INDONESIA
11	Recertification and Recalibration of Turbine Gas Meter Systems in Palembang	2018	PT. MITRA ENERGI BUANA
12	Recalibration Turbine Meter and EVC at Directorate of Metrology in Bandung	2018	PT. MITRA ENERGI BUANA

EXPERIENCE LIST

ITEM	DESCRIPTION	YEAR	END-USER
